Re: *United States v. Mark S. Scott*, S8 17 Cr. 630 (ER)

Dear Judge Ramos:

The Government writes to address several scheduling matters in the above-captioned case, which is set for trial on November 4, 2019. Earlier today, a grand jury sitting in this district returned the enclosed Superseding Indictment against Mark Scott. In addition, the defendant's motion to suppress his post-arrest statement is fully briefed, and the Government's Rule 15 motion regarding the testimony of four potential trial witnesses will be fully briefed as of Monday, October 7. The Government would therefore respectfully request the Court set a date next week for the defendant's arraignment, as well as any argument the Court would like to hear on the pending motions.

Respectfully submitted,

GEOFFREY S. BERMAN
United States Attorney
